1st July 2014

Dear Parent/Carer

Year 8/9 Big Bang Fair Visit – Tuesday 8th July 2014

As a school we are keen to offer our students valuable hands on experience in different careers so they are able to make a more informed decision when they come to deciding upon a profession and especially those with an interest in a career within STEM.

The Big Bang Fair is all about showing young people the exciting careers they can have with the right science, technology, engineering and maths qualifications. From the dedicated careers area - the Careers Cabin - right through all show floor activity and stands, everything they do is aimed at showing the real connection between the work our students do in the classroom and the exciting careers they can lead to.

The fair will be held at Aintree Racecourse on Tuesday 8th July. Students must assemble in the school main entrance hall at 8.15am. We will then travel on the school coach to the arena and are due back in school at 3.30pm. The students will need to bring a packed lunch to be eaten at the racecourse and also a mobile phone, if possible, as the students are left to explore the fair alone. Students will be provided with a contact number for emergencies and also arrange meeting times and places throughout the day. The cost of entry to the fair is free, however we ask if you can voluntarily contribute £1 towards the travel costs of this trip, thank you. The staff accompanying the students will be Mr Jones and Miss Lalgee.

We seek your permission to photograph your son during the activities, to be used by The Big Bang Fair and St. Margaret's publicity purposes only. Therefore, students would be expected to attend the event in full uniform. If you consent to your child attending the visit and the photographs being taken, please complete and return the reply slip below along with the payment. As always, we expect the highest standards of discipline and effort and look forward to a successful and enjoyable day.

If you require any further information please contact Mr Jones or Miss Lalgee at St. Margaret's C of E Academy.

Yours faithfully

Miss Lalgee
Teacher of Science

Mr Jones
Teacher of Design Technology
