Dear Parents,

Liverpool City Council have asked that I pass the following message on to you:

“I need to share with you that an incident has recently been reported to the police following the suspicious behaviour by an adult in the South Liverpool Area. Parents are reminded of the importance of ensuring their children travel safely to and from school. We would encourage parents to discuss with young people how to act if approached suspiciously by an adult.”

Over the next few days, we will be reminding pupils about how to stay safe when they are out of school.

If you have any questions about this matter, please do not hesitate to contact Mr R Lawton, our Child Protection Officer.

Yours sincerely,
