

Our Ref: 170 14

26<sup>th</sup> November 2014

Dear Parent/Carer

**Year 9 Chemistry at work day – Tuesday 9<sup>th</sup> December 2014**

As a school we are keen to offer our students valuable hands on experience in different careers so they are able to make a more informed decision when they come to deciding upon a profession.

MerseySTEM are offering exciting, interactive and hands-on sessions for young people to experience and learn about the basics of chemistry in the work place. It is set to be a highly interactive day, to enthuse students to increase their interest in science and specifically medical applications.

The session will be held at Daresbury Labs on Tuesday 9<sup>th</sup> December. Students must assemble in the schools main entrance hall at 9.00am. Students will be accompanied by Mr Burns and Miss Lalgee. We will then travel on the school coach to the labs and are due back in school at 3.30pm. Students will need to bring a packed lunch to be eaten at the labs.

If you would like your son to attend this trip, please complete and return the reply slip below, together with the appropriate voluntary contribution of £4.00 (made payable to **St Margaret's C. E. Academy**) in a named, sealed envelope. Parents or carers experiencing financial difficulties can contact me, in confidence, to discuss the matter.

We also seek your permission to photograph your son during the activities, to be used by MerseySTEM and for St Margaret's publicity purposes only. Therefore, students would be expected to attend the event in full uniform. As always, we expect the highest standards of discipline and effort and look forward to a successful and enjoyable day.

If you require any further information please contact Mr Burns or Miss Lalgee at St Margaret's C of E Academy.

Yours faithfully

**Miss S Lalgee**  
**Co-ordinator of STEM**
