30th June 2015

Dear Parent/Carer

Science and Technology Challenge Day – Monday 6th July

Your son has been invited to participate in the Gifted and Talented Science and Technology Challenge Day. The day will be taking place at John Moores University on 6th July.

Challenge Days have been running for several years and have involved schools from 25 London Boroughs, with similar events in Greater Manchester, Merseyside and across the U.K. The young people are required to work in mixed school teams, on three practical applied science, technology-related challenges. If they are part of the overall winning team then they will be given the opportunity to compete in the Challenge Finals that are held later in the year.

The day will start at 9.30am and finish at 3.00pm. Students will return to school at 3.30pm. Whilst refreshments will be provided during the morning break, your son will be required to bring a packed lunch with them. We will be travelling via the school minibus and so a voluntary contribution towards this trip will be £1.00. Students will be accompanied by Mr Jones and Miss Lalgee.

Please would you complete the slip at the bottom of this letter in order to let us know whether you would like your son to attend the event by Friday 3rd July. Please note that if you provide photographic permission, then photos of your son would only be taken by ourselves, the local press or by the event's organisers for publicity purposes.

Yours sincerely

Miss Lalgee and Mr Jones
