6th October 2015

Dear Parent/Carer

As part of the programme of Transition for Year 7, I have arranged for the year group to take part in two very special mornings of activities. They will take place on:-

Tuesday 13th October 2015	a.m. only
Tuesday 20th October 2015	a.m. only

These mornings are based around group activities under the title of “**Our Community**”. The boys will work with members of staff and older student volunteers to discuss how we can use our **Christian Values** to help us as a school community.

The year will be split into two halves and will either complete activities in the hall or with their form Tutor and will swap over on the second week. They will work through a specially put together booklet (prepared by our student volunteers). Please look out for this booklet when it eventually comes home.

I am sure you will agree that as new members of St. Margaret’s school community, the boys will benefit from discussing how important our Christian values are and how they can use these in everyday situations.

Also, to remind you that on the 23rd October the boys will take part in a “**Retreat Day**”. This is organised jointly by school and our church partners and will link well with the two earlier activity days.

Yours sincerely

Mrs D Hart
