7th January 2015

Dear Parent/Carer

We have been given the opportunity for students in Year 8 to attend a drug awareness workshop. Drug awareness is an important part of the Learning for Life (PSHE). This will take place at the Albert Dock on Monday 26th January. Your son will learn about the effects of drugs and the laws which surround the in the UK.

Other schools in Liverpool will be attending and it is organised by RUSH, a government agency who specialise in educating teenagers about drugs. Your son will leave school at 9.00am and return by 3.00pm. He must wear his school uniform and bring a packed lunch with him. He will be supervised all day by St Margaret's staff.

If you would like you son to attend please sign and return the slip below on or before **Friday 16th January**. Slips need to be returned to the main school office.

If you have any questions regarding this programme please do not hesitate to contact me on my school email hkinloch@stmargaretsacademy.com

For more information on RUSH please visit their website;
