19<sup>th</sup> June 2018

Dear Parent/Carer

**Maths Problem Solving A Level**

Your son has been chosen to attend a Problem Solving A Level course run by the University of Liverpool on Monday 9<sup>th</sup> July, 2018.

The course comprises of a series of workshops designed to capture the imagination of students who may wish to progress onto A level maths after their GCSEs and to help them tackle the problem solving elements of the GCSE.

We will be travelling from school to the University for a 9.30am start. The day will end at 3.30pm at the University. All travelling expenses will be met by the school, however, your son will need a packed lunch for the day.

Please sign the tear off slip below indicating whether your son can attend and also if he has permission to be dismissed from the University rather than return to school.

Yours sincerely,

John O'Halloran  
Head of Maths.
