

Our Ref: 033/18

1st March 2018

Dear Parent/Carer

YEAR 11 PARENT CONSULTATION MEETING – THURSDAY 15TH MARCH 2018

The Parents' Meeting for students in Year 11 will be held on Thursday 15th March 2018 from 3.45 – 6.45 p.m. and we invite your son to be present with you (in full school uniform) at this discussion of his work and progress with members of staff.

Disabled students and parents are welcome at our school. Should you or your son require special arrangements to be made to enable you to access the Evening, please contact your son's Head of Year, Mr Harrison; we will do whatever we reasonably can to help.

Students can make appointments in lessons with those teachers you wish to see. Your son will record these appointments on the Parent Consultation Teacher Appointment Sheet in his Student Planner. We generally find it helpful if parents and students can make themselves available for about 2 hours, and we would also strongly recommend spacing the appointments out (and not compressing them into a 45-minute period).

Staff have been asked to limit discussion time to 5 minutes and we seek your co-operation in this matter in order to avoid delays for other parents. Please do adhere to the allocated appointment time with your son's subject teachers as far as possible. Should you need more time for specific queries, arrangements can be made for you to come into school at an alternative time – please leave your details with a member of staff at the front desk.

During the evening, you will be requested to sign in at the event. You will also be signing to say that you have collected a USB for your son. On the USB, there is an array of revision material from each subject area to support your son in the forthcoming GCSE examinations. The USB pens have been generously contributed to by St Margaret's Parents' Association.

We hope that all parents will have completed their appointments by 6.45 p.m, when a bell will ring to signal the end of the consultation evening.

Parental attendance at the consultations is excellent (normally over 96%) and we hope to maintain, if not better, these figures in years to come. However, if you are unable to attend the meeting, and are worried about your son's progress, please do not hesitate to contact Mr Harrison at any time. In the meantime please sign and return the reply slip below to the school office tomorrow.

Yours sincerely

Mr S Brierley
Principal
