15<sup>th</sup> January 2019

Dear Parent/Carer

**Make it work - Robot Challenge 23<sup>rd</sup> January 2019 - City of Liverpool College**

As a school we are keen to offer our students valuable hands on experience in different careers so they are able to make a more informed decision when they come to deciding upon a profession and especially those with an interest in a career within STEM.

We would like to invite your son to attend a STEM Day organised by 'All About STEM'. The day will use the building of a robot and then competing with it to showcase careers linked to robotics, advanced manufacturing and engineering, the skills required for them and to highlight pathways into them in. Local employers will be engaging to bring a 'real world' insight to the day.

The Day will be held at City of Liverpool College, Learning Exchange building, Roscoe Street and we will need to set off from school at **8:40 am**. Students should meet in the main entrance hall just before this time for a prompt start. The day ends at 14:45 when we will then travel back to school for approximately 15:30.

There is no admission cost for the day and Students will need to bring a **packed lunch**.

We seek your permission to photograph your son during the activities. Students would be expected to attend the event in full uniform. If you consent to your child attending the visit and the photographs being taken, please complete and return the reply slip below.

As always, we expect the highest standards of discipline and effort and look forward to a successful and enjoyable day.

If you require any further information please contact Mr Jones at school 0151 427 1825 or via email [sjones@stmargaretsacademy.com](mailto:sjones@stmargaretsacademy.com)

Yours sincerely

Mr S Jones
