Dear Parent / Carer

Re: Vermont and New York Ski Trip 2020

There has been a change to the above trip which I would like to draw to your attention. The original letter stated that we would leave on Sunday 5th April and return on Sunday 12th April 2020. In order to get direct flights we will now be leaving on **Saturday 4th April**, still returning on Sunday **12th April**. We will fly directly to Newark, New York for our outlet shopping and then head to the New York based Hotel to stay the night before our transfer to resort the following day. The extra night in New York is at no extra cost, and will enable us to arrive at the resort more refreshed as it did last time we travelled.

We will meet at Manchester Airport Terminal 2 to fly with United Airlines to Newark. Further information such as meeting times and points will be passed on in due course.

Flight information:

4/4/20 MAN-EWR 0900-1145 UA080

11/4/20 EWR-MAN 1920-0715 UA081

It has never been an issue in the past, however, I would like to point out that during their stay in America students will be sharing a super king size bed.

With skiing being a physical activity, I would urge your son to consider being 'ski fit', building strength and endurance wherever possible, such as PE lessons would be a great benefit.

If you would like to discuss further or require any further information please contact me as soon as possible at school on 427 1825 or via email sjones@stmargaretsacademy.com

Yours Sincerely,

Mr S. Jones.
